BACKUP

vs

ARCHIVE

Insurance against human error, tech failure, disaster

To protect your current work in progress

Regularly overwritten

No filing, sorting or organising. Content is backed up 'as is'

Restore all files in a specific backup at once

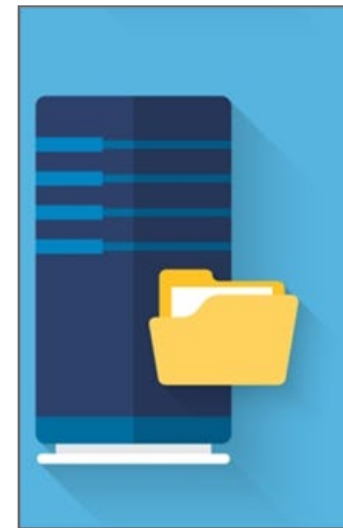

Build an enduring historical record or content library

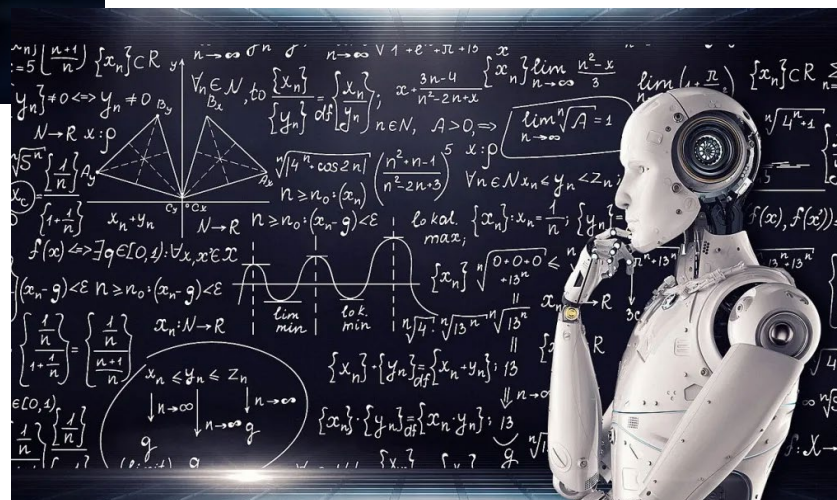

Of valuable content you want to keep

Permanent record

Content sorted, selected and filed according to your Archive Policy

Built to find and restore individual files

Grazie

A handwritten signature in black ink on a white background, tilted slightly to the right. The signature is stylized and appears to be 'G. G. G.' or similar.
